

Club Marinole 2021

We're launching Online Registration on www.clubmarinole.com!

We have been working hard during the winter on an online registration process. Please go to <https://clubmarinole.com/membership-registration/> to register for the 2021 season. We will email you within 48 hours with the price and options of payment. You can still mail in a check or send your credit card information if you register online. New this year, you can pay via PayPal. The PayPal link will be included in the response email.

Marlin Payment Plan- We are also launching an option to make monthly payments. The first year of payments will be spread evenly over the number of months left until June. For example, if you register in February 2021, your payments will be spread evenly over 4 months. The following years of payment will spread evening from September to May. We hope to make your payments easier and to remember Marinole all year long.

Don't worry, we are still offering the **Legacy Paper Registration Form.** This process will be the same as it has been for the past 60 years.

Note from the Board

2020 was a different kind of year. As everyone was trying to stay healthy and sane, Marinole was our place of normalcy. The board can't thank you enough for a successful year with being able to be open and enjoy the summer and having more than 280 members (132 were Trial Members). We started and accepted everyone on our Wait List. It was an incredible feeling to see our local pool thrive and being enjoyed by so many new faces. We have only heard good things from our old and new members. Our board appreciates all the positive feedback. We are excited to have warmer weather and enjoy the 2021 season.

Be on the Lookout for Board Members!

With our growing membership, we are hoping to find leaders that can join the board. We have a few open positions for this season: Management Director, Facility Director, and Secretary. We are also looking to recruit people to shadow board members that will roll off the board this fall. The shadowing will help to show you the ropes and give you guidance for the intention of you taking over the position in 2022. These positions are: President, Concession Stand Director, and Marketing/Technology Director. In general, the responsibilities of all board members is to put some sweat equity into the pool in the spring to open the pool and the fall to close the pool; monthly board meetings; and participate in general events throughout the season, along with the noted job position title. This job is very rewarding to see the pool come to life for the summer. We are offering free membership for a board member and a 50% membership for shadowing a board member.
